Hello Bonner Families –

Five years ago, the Bonner Administration and our PTA joined forces to create a drop-off zone out in front of our school. Our goal was to help reduce parking challenges and to provide a safe way for students to arrive to school each morning. I would like to review our drop-off zone procedures with everyone.

- 1) The drop-off zone accepts students between 7:40 – 7:55am. Please wait until at least 7:40am before dropping off your children, as supervision is not provided prior to this time.
- 2) PLEASE PULL YOUR VEHICLES ALL THE WAY FORWARD INTO THE DROP-OFF ZONE prior to letting students get out of your cars. We want to avoid having a long line of cars forming in the actual street.
- 3) For the safety of our students and the entire community, PLEASE NEVER LET STUDENTS EXIT YOUR VEHICLES WHILE YOU ARE IN ONE OF THE ACTUAL LANES ON CRESTDALE.
- 4) U-turns in front of the school are strongly discouraged. We have witnessed several “close calls” as cars are driving down the street while other vehicles are making U-turns to enter or exit the drop-off zone. LV Metro PD has given citations for U-turn violations several times in recent months.
- 5) As a courtesy to fellow drop-off zone users, please make sure that your children are ready to quickly exit your cars. The drop-off zone was created to provide a fast, safe way for students to arrive to school.

If you are new to the school or if you have not yet taken advantage of this wonderful service, I highly encourage you to do so. I would personally like to thank our staff and parent volunteers who help open car doors and greet our Bonner students each morning, rain or shine. Without their help, the drop-off zone program would not be possible. If you are interested in volunteering to work in the drop-off zone, please contact the front office.
