Annie Ostler (parent), Stephanie Heppler (parent), Melissa McDonald (parent), Jasmin Churchill (teacher), Derek Weeks (teacher), Rachael Howerton (support staff), Erin McCarty (principal), Michele Keener (assistant principal)

- New Business: School Performance Plan Goals
 - We reviewed last year's goals, and decided to work on them for another year. They are:
 - Professional Development: Teachers will be provided with professional development training to increase efficacy on delivering meaningful differentiated instruction to students to close skill gaps, as well as to increase acceleration.
 - Family Engagement: Parents will be provided with ongoing communication, reading, math & science strategies and resources to support and enrich their child's academic development.
 - Curriculum/Instruction/Assessment: Teachers will engage in strategies to meet the needs of our student groups who receive differentiated interventions and to develop tiered/multi-leveled tasks to effectively differentiate instruction.
 - We will discuss the budget and next year's position allotment at our next meeting.

- Review Upcoming Dates
