2.2 Count Day Results and Budget

We have 16 students over projected count!

We do not lose any teachers, and our budget stays intact. However, not replacing open 2nd grade position due to numbers in class size and avoidance of surplus \$243,501.91 in general funds to spend as follows:

District removed the ASF fund, so we are paying for the math strategist with “At Risk” and “EL” budgets

Support staff (2 new positions, adding time to current employees schedule)

Staff recommendations for leftover funds:

Progress monitoring software for kinder

Another CTT for Kinder

Tutoring funds (SBAC, small groups)

Grade level PLCs after school with hourly rate

Novel sets

Tablets

STEM would like a robot & class set of chromebooks

Library needs new, updated books

Any money left can go into “supplies”

2.3 Continuous Improvement Process

Last year our SBAC scores dropped about 20% in math and 10% in ELA
We are still consistently higher than the district at large
We have a multi-pronged plan to improve mastery in math
This SOT committee will complete a survey re: on what more needs to be addressed
to recover from the impacts of COVID.
