New business:

- 2020-2021 SOT Elections
 - CCEA election: Licensed personnel will vote tomorrow, Tuesday, September 22nd
 - ESEA election: Support Staff voting took place between 9/10 and 9/17. We do not yet have the results
 - PTO election: Parents are voting today, Monday, September 21st
 - There is a drive-thru Joy Pop family night in the Bonner bus lane tonight as a reminder for parents to vote and we will have a tablet for them to use as well
- Budget
 - Count Day was on Friday, September 11th. We were 19 students under projection in K-5.
 - We lost one licensed position but we had a vacant position so it did not affect any staff
 - All grade levels meet grade level student to teacher ratios and an additional licensed position is not needed or warranted in any grade level
 - We received \$125,315.26, which will be added to the \$37,919.49 currently budgeted for supplies, bringing the grand total in supplies to \$163,234.75
 - Currently hiring a library aide, instructional aide and special programs teaching aide.
 - Items we are looking to purchase with the funds in supplies include several Chromebook carts, Accelerated Reader, several DRA kits, and help to fund CTTs once school resumes in person.

Future business:

- Next Meeting will be Monday, October 5th, 2020 at 2:30p with new SOT to review the school performance plan
