

2022-2023 BONNER ELEMENTARY OPEN HOUSE

FRIDAY, AUGUST 5TH, 2022

The Bonner Elementary teachers and staff are excited to welcome you to the 2022-2023 Open House which will take place on Friday, August 5th, 2022, from 5:00pm-7:30pm. At this event, you will receive detailed information from your child's teacher about their classroom and answer questions you may have.

There are several sessions in order to ensure parents with children in various grades are able to attend all of their teachers' Open House presentations. All of the individual teacher sessions will have the same information so pick whichever session best fits your schedule. You do not need to be present during the entire Open House event.

Per direction from CCSD, all parents will need to complete a health questionnaire upon arrival. All families will enter through the multi-purpose room (MPR) at the front of the school. Exposure to COVID-19 is an inherent risk in any public location in which people are present. The Clark County School District (CCSD) cannot guarantee individuals will not be exposed during attendance at a CCSD event. Per state and local guidelines, individuals are strongly recommended to wear a face mask indoors, stay home when an individual is sick, and practice good hand hygiene.
